ASSIGNMENT FOLIO

We take this opportunity to express our sincere gratitude to Dezyne École College for providing us with the knowledge, resources, and guidance essential to the successful completion of this project.

Our deepest thanks to our respected Principal, Dr. Vinita Mathur, for her visionary leadership and continuous encouragement. Her commitment to academic excellence and student growth has been a constant source of motivation and pride.

We are equally thankful to all our faculty members for their consistent support, expert advice, and valuable insights that shaped our learning and helped us achieve this milestone.

Lastly, we extend heartfelt thanks to everyone who directly or indirectly contributed to the success of this project.

We are proud to be part of Dezyne École College, an institution that truly nurtures professionalism, innovation, and purpose.

With sincere appreciation,

Deepak Rawat

Department – BCA

Dezyne École College, Ajmer

ASSIGNMENT FOLIO

Objective:

Increase Website Traffic, Generate Quality Leads, Improve Brand Visibility, Boost Course Enrollments & Maximise ROI

1. Search Campaign Strategy

Targeted high-intent keywords related to computer courses.

2. Structure Ad Groups

Separate ad groups for each course to improve relevant and Quality Score.

3. Optimized Wix Landing Page

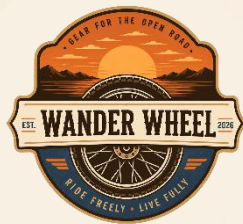

Mobile-friendly design with strong call-to-action buttons.

4. Conversion Tracking Setup

Measure form submission and call clicks for performance analysis.

5. Smart Bidding Strategy

Used “Maximize Conversions” to optimize ad spend automatically.

Email Design Method Selection

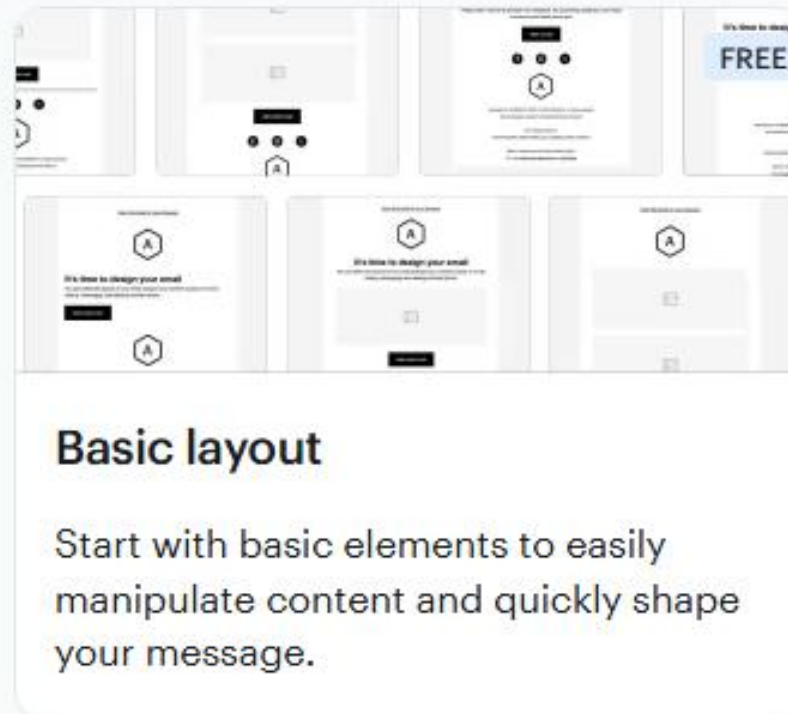

How do you want to design your email?

A visual representation of the "From scratch" design method, showing a blank white canvas with a dashed rectangular border and a small gray circle with a plus sign in the center. A blue "FREE" tag is in the top right corner.

From scratch

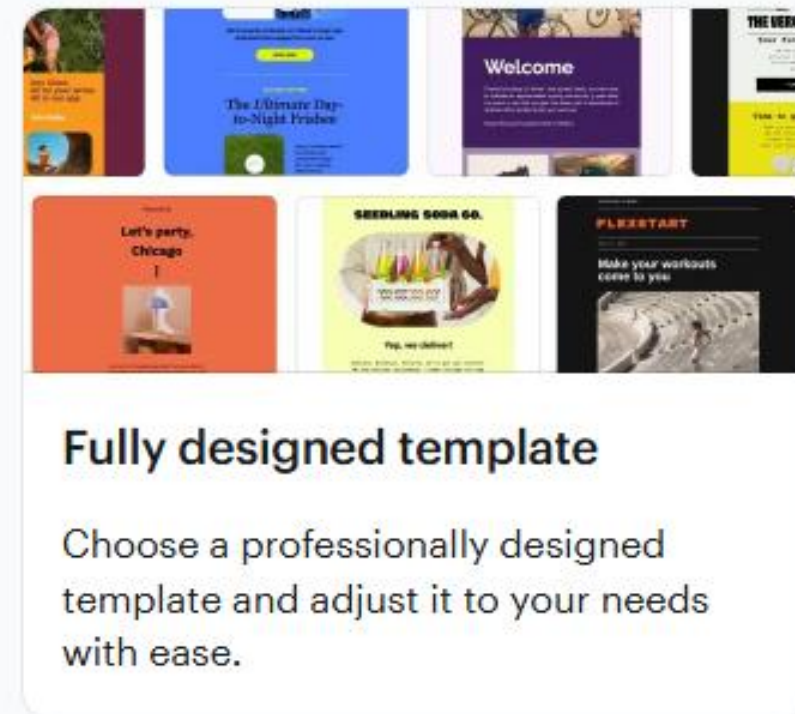

Begin with a blank canvas to fully customize your email's design and content.

A visual representation of the "Basic layout" design method, showing a grid of six email layout templates with various text and image placeholders. A blue "FREE" tag is in the top right corner.

Basic layout

Start with basic elements to easily manipulate content and quickly shape your message.

A visual representation of the "Fully designed template" design method, showing a grid of six professionally designed email templates with various themes and images. A blue "FREE" tag is in the top right corner.

Fully designed template

Choose a professionally designed template and adjust it to your needs with ease.

Tag your contacts

Tags are labels you create to differentiate your contacts. You can use tags to send personalized marketing, create a segment or to set up an automation. Any tags you add or create here will appear in your contacts table after your import is complete.

Import Completion

Subscribe contacts to marketing

The status you assign to the contacts in this file will only be applied to new contacts. Existing contacts will not have their subscription status updated, but any other data that may have changed will be updated.

[? Understand the importance of permission](#)

*Select email marketing status

Required

Subscribed

When you choose the "Subscribed" status for your contacts, it indicates that you've gained permission to market to them.

These imported contacts will not receive a confirmation email or SMS notification from Mailchimp. Since you're adding them manually, they won't have an opt-in IP address or date in your records, so be extra sure you have permission first.

Finalize import

Review and complete your import

6 contacts will be added to your "Wander Wheel" audience.

- **Imported from:** Copy and paste
- **Email marketing status:** Subscribed
- **Update existing contacts:** No
- **Tagged:** None

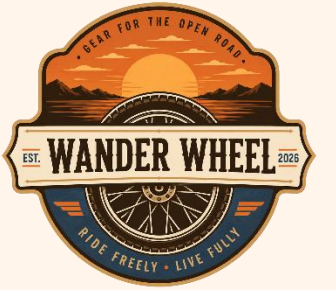

The maximum number of contacts allowed on your Free plan is 250. If you go beyond 250 contacts with this import, your ability to send email campaigns may be impacted.
