Customer acquisition

☐ Only bid for new customers

Your campaign will be limited to only new customers, regardless of your bid strategy

By default, your campaign bids equally for new and existing customers. However, you can configure your customer acquisition settings to optimize for acquiring new customers. [Learn more about customer acquisition](#)

Customer retention

☐ Adjust your bidding to help re-engage lapsed customers 

 You can't bid higher for lapsed customers because you don't have a purchase goal in your account. Add a purchase goal to run campaigns that bid higher for specific customer types.
